

The European B2B Forum for the Electronics Industry

111th Plenary Elections

June 9th 2010

Vice-Chair nomination: Tony Nisbett, IBM

Job description:

- Tony is an IBM SME (subject matter expert) in EDI, eCommerce, eInvoicing and Digital Signing.
- Tony supports the IBM World-wide supplier and customer boarding teams with advice on process and compliance for electronic invoicing.
- Tony's current work includes analysing the role and contribution of B2B networks and how they can better interoperate in order to satisfy the needs of all trading partners.

My activities within EDIFICE:

- Chairman of the BILL (eInvoicing) Task Group since 2006
- Active contributor to the Directors Team
- Represent EDIFICE in CEN/ISSS
- Involvement in lobbying activities round the B2B market place.

Vice-Chair nomination: Tony Nisbett, IBM

My objectives as Vice-Chair:

- To support, maintain and develop the excellent reputation of the EDIFICE forum.
- To assist the other directors in their determination to overcome travel restrictions and communicate with all members and participants in EDIFICE by whatever means.
- To bring relevant news, ideas and experiences to EDIFICE to help develop best practice and bring quality improvements to members' processes.

Secretary nomination : Eric Pannekeet, Fairchild Semiconductor

Job description:

- Senior Manager Corporate Sales & Marketing B2B Programs Fairchild Semiconductor Corporation USA
- Dutch native, Business School and Law Studies in the Netherlands. Fulfilled various positions in the Freight Forwarding and Trading Business in the Netherlands before joining the Semiconductor Industry 14 years ago.
- Started in Semiconductor Sales in 1995 and transferred into various Strategic Customer Programs Management positions with a special focus on advanced Supply Chain and B2B Solutions.
- Since 2005 responsible for Fairchild Semiconductor's Corporate Sales & Marketing B2B Programs, steering a team of B2B managers in geographic regions.
- Directly reporting into Fairchild Semiconductor Corporate Headquarters in South-Portland Maine USA, currently based in Singapore.
- Holds Six Sigma Black Belt Qualification supporting Lean Transactional Process for Global Sales & Marketing Operations.

My activities within EDIFICE:

- Secretary since May 2006
- Portals & Market Places TG Chair
- Active member of the DCM

Secretary nomination : Eric Pannekeet, Fairchild Semiconductor

My objectives as Secretary

- Maintain consistent organizational structure and operational compliance with the MoU
- Maintain excellent working relationship between the team of Directors and C&F Services
- Support organization of high quality events
- Continue EDIFICE and AsiaB2B relationship/interface management role
